

Dear FLC Supporters,

FLC has, over the years, been distributing its Newsletters regularly each quarter to its Supporters like you. Our mailing list keeps growing every month. Each quarter FLC makes significant efforts in printing, sorting and posting Newsletters, yet we are not sure if this is your most preferable way of receiving our Newsletters.

To help us serve you better, we would appreciate that you could take a few minutes to complete the following survey (this survey form is also available in Word file on our website) and return your preference to FLC in one of the following ways:

1. By post: First Light Care, PO Box 9126, Harris Park NSW 2150
2. By fax: First Light Care, (02) 9637 4535
3. By email: [admin@firstlightcare.org.au](mailto:admin@firstlightcare.org.au)

We look forward to receiving your earliest response. Thank you for your time and continued support of FLC's ministry.
