

裝備自己，指導別人

Become More Equipped To Mentor

耶穌指導祂的門徒，給他們的屬靈成長指引方向。很多新興的信徒領袖都渴望獲得這樣的指導，可惜往往只有少數人受惠。

《裝備自己，指導別人》

是一個使教會領袖進一步發展指導別人技巧的課程。培訓計劃包括對一系列塑造門徒模式、技能和資源的反思機會，以協助屬靈成長、問責和教導能力的形成，以及探索一對一動態的關係。導師自身的個性、經驗、恩賜及領導能力會融入富個人風格的指導中。

Jesus mentored his disciples, guiding their spiritual growth. Many emerging Christian leaders long for similar mentoring, but often only a few receive such mentoring.

“Become More Equipped to Mentor” is a course designed to allow church leaders to further develop their skills in mentoring others. The training includes opportunities for reflection on a range of models of mentoring, tools and resources for assisting growth, accountability and leadership formation, and an exploration of the dynamics of one-on-one relationships. The mentor's own personality, experience, gifts and leadership are integrated into a personal style of mentoring.
